Subject: Question Regarding AMR / ERT devices

[External Email - Exercise caution. DO NOT open attachments or click links from unknown senders or unexpected email.]

Good Morning / Afternoon All:

For those that have MDM and CC&B, I have a question for you. How are your AMR (ERT) devices stored in CC&B? We will be going to C2M and need to understand how the devices are defined in CC&B (i.e Items, Equipment, Badged or Unbadged). Any information you can provide would be greatly appreciated.
